Technical Skills

3D Rendering, Drafting Plans, Photoshop Certified, Revit, SketchUp, Solidworks, Graphic Design, Adobe Suites

Work Experience

Havenly Interior Design Consultant
Part-Time | Remote

September 2024 - October 2025

- Created personalized, functional spaces that reflected the client’s unique style, making the design process seamless and intuitive.
- When working with clients, the focus was on selecting pieces that reflected their tastes and fit within their budget. Customized idea mood boards, concept boards, floor plans, and 3D renderings are developed to meet their specific style and functional requirements.

Anne Pappas Interiors Intern
Part-Time | Savannah, GA

August 2023 - October 2023

- Gained valuable hands-on experience in the interior design field through managing and organizing various materials. Maintained an up-to-date materials library by regularly removing discontinued samples. Assisted in creating mood boards for clients, featuring diverse materials, textures, colors, and furniture to bring design concepts to life.

Academic Experience

Nest
Hospitality Design | Designer

September 2024 - March 2025

- Developed Nest, a senior capstone focused on an extended-stay hotel designed for traveling healthcare professionals, combining home-like features with community-centered amenities. Emphasized user-centric design, creating adaptable spaces that balance comfort, durability, and wellness to support personal and professional growth.

Beacons of Heritage
Retail Design | Technological Manager

March 2024 - May 2024

- Collaborated with peers and industry professionals on the Mistrau Pop-Up Project, a luxury retail experience in the Pierre Cardin Quarry in Lacoste, France, blending natural materials with modern design across five themed spaces. Focused on immersive storytelling and guest experience, integrating site analysis and iterative design to reflect the brand’s heritage and contemporary luxury.
